## A NIGHT TO REMEMBER AT THE NOYPITZ

by Bro. Michael Shane Miranda

*It was a fun filled affair at this year's APOGLA 2014 Valentine's Special Ladies' Night last Saturday February 15, 2014 at the NOYPITZ Bar & Restaurant in Glendale, CA. Led of course by the willing and able Chairperson Sis Hazel Salas. Around 50 plus invitees came in to join in the festivities, APOGLA Brothers, Sisters, Familial Members & Friends. First off was a dinner buffet course of mouth-watering chicken inasal, beef caldereta, crispy binagoongan, steamed vegetable with butter, fried calamare, miki-bihon pancit and your choice of fried or steamed rice to top it off with desert of fresh fruits.*

There was also some stand-up comedy from the entertainers Fifi and Poka which was raunchier than what most people were used to but it was all in good taste (?) nonetheless and most of the crowd did not mind especially the brods. PP Brod Bonjie Ingco even asked "Mga bading ba talaga yan?" Videoke was also in play with audience participation being it voluntary or under duress from our very own members Bro Armand Mendoza & PP Bro Troy Agagon showing off their vocal skills and belting out their favorite songs. Not to mention also the

house band playing afterwards to disco tunes and everybody dancing the night away like they really meant it. I heard a brod from San Diego (itago natin sa pangalang Dominique Dilayre) say that he lost around 10 pounds just dancing for an hour.

APOGLA members old & new attended the affair with special mention to Bro Jazz Escalante of Eta Theta Chapter Batch 2009, fresh off the boat, his first time meeting APO brods/Sis, who said he really enjoyed the event especially the company of the brothers & sisters.

Of course the night would not be complete as far as APO is concerned without alcoholic beverages and all the brothers & sisters partook in each's favorite ones with much gusto.

Yet another successful Ladies' Night affair. For those who missed it, we wished you were there. For those who attended and joined in the fun, thank you very much for coming. Everybody had a great time at this years' event, APOGLA style! Until next year, sa ulitin po mga kapatid!!!

## THE PRESIDENT'S CORNER

*Moving along, Brothers and Sisters...*

*The month of January has just passed and our first GMM meeting was a resounding success! We had a very productive meeting and our thanks to our host, Bro Nelson and Annabel Jusay and the January celebrants, and all of you, attendees, for being there! It was also a day to welcome our fraternity Brothers Ruben Maruquin and Bobet Peneza to the GLA family.*

Once again, February, the month of Love is here! The sign of hearts is visible everywhere as we celebrate Valentine's Day. We will celebrate this day on an all-out Ladies Night on February 15 at the NOYPITZ Bar and Restaurant in Glendale. You don't wanna be left out! Come join us on an evening of love, music, fellowship, dancing and the most desired, photo opportunity!

Mark your calendar for our next kitakits, our 2<sup>nd</sup> GMM meeting on February 22 at the Star Lane Bowling Lanes in Eagle Rock, CA. It would be great to see everyone again to discuss our future activities. We are always strong not only in numbers but also in our desire to serve and protect the interest of APOGLA. So see you all there...

As a reminder, our annual service for the LA Marathon will be on March 9, Sunday. As usual, we will be manning the Mile 13 Water Station. Then on March 15, Saturday, is our Tree Planting service project. Bro Eric Aralar will discuss the project detail on our upcoming meeting.

My thanks, as always, to everyone for continued support in keeping together the families of GLA. Mabuhay ang APOGLA!!

## BOARD OF DIRECTOR'S CORNER

*This winter season has been harsh for the East Coast and the Southeast. It is easy to see why we may take for granted our Southern California weather, which has been nearly perfect the whole year round. Sometimes, we too take for granted our personal commitments to our beloved Organization. Membership not only entails attending the regular monthly meetings and enjoying each other's company in our fellowships, but also participating actively in our many community-based service projects.*

*Enlisting volunteers for our various activities have often been grueling for the different chairmen/organizers. It is understandable that many are beset by the different events that are happening within their own careers and personal lives that prioritizing which ones are important can be a difficult task to accomplish. Nevertheless, while we are transitioning to being a mere fraternal body to one that is primarily a community-based service organization, there will be limitations to the goals that we can achieve.*

As we move along, the Board is now zeroing in on the legislative agenda that we will be tackling for the year. Now that our official website is up and running, we feel that an editorial board is needed to ensure that all entries and updates made to the website will pass the test of acceptable literary standards, making sure that we dot our t's and cross our i's (or is it the other way around?). The editorial board's positions may have to be appointive, recognizing the fact that we already have a lot of elective positions. The Board will also continue to review our Constitution and By-Laws, as well as our Policies and Procedures Manual, to make them truly reflective of our members' will, as well as keeping with the Organization's mission and vision. We also need to correct some of the flaws that we may have overlooked previously in the performance of our duties. One of the oversights of the Board of Directors in 2012 was that the Resolution creating the Board of Trustees was not passed and approved by the membership in a referendum and therefore, could not be made a part of our CBL. This mistake will definitely be corrected this year.

There were some questions, too, that arose from the supposed beneficiaries of our Disaster Relief Fund and the organizations that can serve as conduits of our donations. We shall persevere to rectify the uncertainty arising from the ambiguous wording of the Resolution.

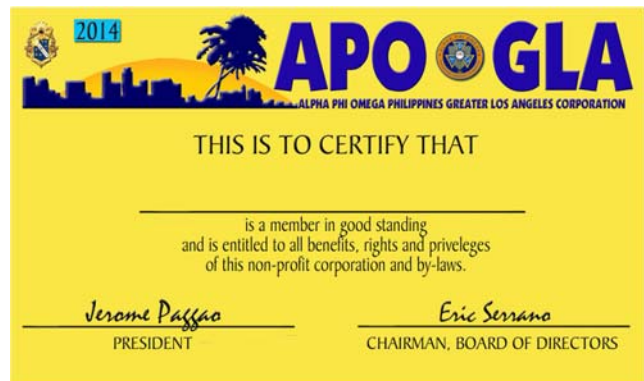

Finally, in this February month of love, let us continue to share our caring and affection for all our brothers and sisters, especially those who are currently suffering from disease and illness. May the Lord continue to provide them with the strength and fortitude to overcome their affliction.

Allow me to leave you with a quote from Albert Einstein... "There are two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle."

Have a love-filled Valentine's Day...

For the Board of Directors,  
Bro. Eric Serrano

## **APOGLA 2014 DEBUTED AUSPICIOUSLY AT 1ST GMM IN THE SAN FERNANDO VALLEY**

*Panorama City – Our January 2014 GMM debuted auspiciously at the park-like home of Bro. Nelson and Annabel Jusay in this city amid a mini waterfall cascading into his backyard swimming pool.*

The attendees especially the “early birds” were served with luscious misua appetizer soup cum boiled egg, shredded chicken and mushroom among others concocted by Bro. Nelson as an antidote to the wintry weather. Thereafter, a variety of cuisines were rolled out to satisfy our palates.

The meeting was supposed to start at 4 or 5 p.m. but the sound system was nowhere to be found. We had to wait for Bro. Bodjie Gapido who doubles up as sound engineer.

Brods and sis were surprised and awed by the first order of the day when newcomer brods Ruben Maruquin and Bobet Peneza were welcomed with a symbolic mini ritual akin to our pledgeship days.

The two nervous brods were blindfolded and were led to a nearby holding room by acting Sgt.-at-Arm Bro. Fidel “Pungay” Aquino for brief meditation before they were ushered back into the meeting. At this juncture, I asked the large assembly to confirm with aye or nay votes whether the freshman brods are accepted as new members of APOGLA and the crowd roared with approval.

As Vice President in charge of Membership, I intoned in solemn voice that for the first time, we will conduct a brief welcome ceremony or ritual so that our new brethren will feel very much welcome and comfortable into our fold and not take their membership for granted. I said, being a member of APOGLA is not an easy task or a picnic in the park like when we were pledging during our college days. We have challenges and responsibilities to abide by in our journey as a true and loyal brod and sis.

After removing their blindfold, the two brods introduced themselves briefly

I exhorted the assembly that this brief ritual ceremony would strengthen or reinforce that we are men of ideals: to develop LEADERSHIP, promote FRIENDSHIP and provide SERVICE to humanity. These are the standard of manhood and international understanding that will lead us to a more peaceful world in which to live, and in which to make a living and a life. Our principles are guided by the Scout Oath and Scout Law. Apply this to your own life. We can learn

from you. You can learn from us. We can learn from one another.

Bro. Board Chairman Eric Serrano then shared, “Anyone of you will have equal opportunity to advance to position of trust and leadership in APOGLA. It has been said that, no matter how stony the path, some forge to the front and no matter how easy the going, some lag behind. We hope that each of you and all of us will forge ahead in the work of ALPHA PHI OMEGA and give your best shot and services as you prepare for active membership. We believe that fun and fellowship are essential parts of our social activities.”

Thereafter, Brother President Jerome Paggao then solemnly administered the oath of membership to the new brods: “I fully accept my obligations as APOGLA member. I will endeavor to prove myself worthy of the confidence reposed in me. With a sincere desire to put SERVICE to my fellowmen ahead of selfish aims, I will strive diligently to so live as a loyal and true brother of APOGLA.”

I concluded, we wish you a very enjoyable and helpful experience in your active membership with APOGLA. I now declare this welcome ceremony duly adjourned. Let’s resume our agenda for the meeting.

A myriad of topics were discussed in the GMM including the date and venue for our December 2014 Affair, March 9 L.A. Marathon, May 23-25 Camping/GMM, TOFASS Scholarship, ACNA tidbits, Tree Planting service project, video presentation of APOGLA website, printing a hard copy of TNB, etc.

As usual, brods/sis had feverish fellowship where banter, tall tales and endless picture taking ensued. And of course red wine, Remy and other spirits were downed like no other to embellish the cold evening.

Fast forward, after surveying seven hotels in and around Los Angeles County and considering all aspects: menu selection, affordability of menu, free parking perk, availability of hospitality suite, etc., the Execom in our meeting, decided to hold our Dec. 13, 2014 Anniversary & Induction Ball at Marriott Hotel-Long Beach (Airport Plaza corner Spring St. and Lakewood Blvd.).

BTW, for heads up, our menu are: Grilled Salmon & Chicken Duet, \$52 wholesale price; Chicken & Beef Tri Tips Duet, \$52 wholesale price; or Grilled Salmon & Beef Tri Tips Duet, \$55 wholesale price. Please help us select the best option. See you all soon.

# VALENTINE'S DAY - LADIES' NIGHT PICTURES @NOYPITZ

## **ART ATTACK** By Art Rivera

*In this issue of Tribo Ni Bado, we will reprise our old column with short takes on people, places and events in and around APO and GLA so; here is the first for 2014....*

\*\*\*\*\*

*On Saturday, February 8, Gie and I drove to Temecula, the Wine County of Southern California at the lovely home of Grace Trinidad. It was an intimate get together in celebration of Arlo's 10<sup>th</sup> Anniversary of his passing. It was also a celebration of what was supposed to be his 60<sup>th</sup> birthday. Since he shared the same natal day as Marlon Veloso, Marlon and better half Loricel, Iking Azores and wife Ditas, Marina Zamora visited from NorCal in what became a sweet and beautiful occasion of friends amidst sumptuous dishes, wine and plenty of stories to share. We were joined by Eleonor and Melvin Villaver, Mary Ann and Lester Arevalo, Melody and Roland Gayon, Janet (Grace's friend and Casino classmate) and the grandkids of Grace and Lester. We visited photos and shared thoughts on past reunions, school days and many more. We ended the evening only to get together again in 2015 for the Eta North America Reunion.*

On their way home to San Francisco, Marlon, Loricel, Iking, Ditas and Marina stopped by our home for a Monday lunch before taking the six hour drive along the Freeway 5 North. A weekend like this one is what we look for as the days of our years are slowly catching up thus, reunions become treasured and meaningful. Life is a gift and should be enjoyed and cherished. Savor the moments with friends and loved ones.

\*\*\*\*\*

In 1953, Kislap Magazine announced that it would giveaway prizes to the best love letters submitted for publication. The response was overwhelming with more than 4,000 letters received from all over the country and written by people from all walks of life.

Those letters are compiled in a book titled "LOVE LETTERS of the Fifties." Reading through these letters gives us a glimpse of life and love in the wonderful '50s and an insight into the romantic nature of the Filipinos! Many of these letters were treasured copies sent to the contestants by their suitors or lovers and were authentic, expressing real feelings to real people towards real objects of love.

There were two second prize winners, a third prize, a special prize, and three special mention winners but no first prize winner!

In this age of texting, i-Phones, i-Pads, e-mails, facebook, twitter, we don't see literary pieces like these anymore. So, in time for Valentine's Day, I thought of inviting you to indulge and read one these love letters herein quoted verbatim in its entirety. Awhile back, I shared with you the letter awarded Special Mention and it was well received, so, sit back and enjoy this one, "I Pierce the Veil of the Future...." submitted by Leonardo O. Solano of Manila and was one of two second prize winners.

*Dear Nilda,*

*Sometimes I agree with the poet that love is a prelude to sorrow and that heartbreak is ahead for a lovers goal. These thoughts come to me when I remember you dearest.*

*Perhaps you dont understand how much I cherish you; how dearly I treasure your name, how it would pain me if I should lose you. There are moments when I consider what love can do. I think of the ecstasy that it brings and the thrilling delight that it gives. I think of our days and years, of the wonderful schemes that come to mind when I recall what we talked about many a lovely evening. Then again I think of the darkness and despair that would be my share in this life if our dreams were not realized. I can picture in my mind the emptiness of the years and of the loneliness that would grip my soul. I know of others upon whom fate played its pranks and of love-stricken souls that were made brighter by tragedy. Little did they realize that their youthful dreams would end up in bitterness; much less did they expect that pain was the other side of joy.*

*As I pierce the veil of the future, I seem to see you there, staring at me like a god, different, cold, and unremembering. Then again I would behold you as I behold you now in my dreams, with a radiant smile on your face eager to take me into your arms to press me forever to your bosom. Why can I not be sure of your sincere love? Why must this doubt torture me night and day like stinging memories and haunt me as if they were bad dreams? It must be true that nothing in this world is certain, for even that which we hold in our arms is sometimes lost to us and that which we know will happen sometimes fails to come.*

*And as I contemplate the future, I begin to develop a cynical philosophy that one must not expect too much out of life and that I must take things as they come. I must not hitch my dreams to the stars, nor live in a world of make-believe. One must realize the implacable fact that only the present is reality and he who lives in a fools paradise will one day wake up embittered and disillusioned. It is true that it is a beautiful thing to dream of tomorrow. It is likewise sweet to sit under a moonlit sky and conjure up lifes glorious moments. But after these reveries, reality takes me back to the present and our dreams vanish. While I would hold dearest the memory of you, still would I often ask myself, will I ever again enjoy the blessedness of day?*

*These are my doubts, my beloved one, and may the All-seeing be watching you always.*

*With Love,  
Nardo*

## GOINGS ON

by Sis. Fely Montecillo

It's the love month! With lover or none, we should all celebrate this wonderful month for love. The Bible says "Whoever does not love, does not know God, because God is love." And true indeed, this month really revolves around love. Take note, Feb.9 was

World Marriage Day and Feb. 11 was World Day of the Sick. Not to forget something close to our Brods' hearts - Feb. 2 was Boy Scout Sunday. Well, why don't we make every day Valentine's Day?

\*\*\*\*\*

Through this column, allow me to thank the following Brods and Sisters who aided yours truly at a time I needed it most: Alphans Brod Tony and Sis Ophel Amon, Brod Rene Calvario, Brod Aldin dela Cruz ( Beta Chi Batch 83), and ACNA PP Sis Cora de Jesus. Brod Aldin used to be with us in APOGLA but he had to move to Seattle, WA in 2003. To all of you, a million thanks, I shall never forget your kindness. I am proud of you for you truly embody the APO spirit!

\*\*\*\*\*

Alpha Brod Tony Amon, TOFASS Chair, announced recently that commissioners will be appointed in their committee to assure the project's success. Target date for the much-awaited activity is June . Brod Tony also added that nomination forms for the would-be scholars will soon be issued to the different high schools in the Los Angeles county.

\*\*\*\*\*

Brod Egay Ninofranco, Beta 71, Chair of the LA Marathon Service Project, when asked about how the activity was going on, beamed with pride that they are right on target. The number of volunteers had exceeded far beyond their expectation, he said. We are all proud to be a part of this world renowned activity, Brod.

\*\*\*\*\*

The Eta Chapter had a happy gathering recently which was hosted by Grace Trinidad at her home in Temecula. The Chapter celebrated the birthday of fellow Etan Marlon Veloso and reminiscing the life of their late ka-chap Arlo Trinidad as it was also his birthday. APOGLA member Brod Lester Arevalo and wife Mary Ann, Sis Melody and hubby Roland Gayon, Brod Art Rivera and wife Gie were on hand to join the celebration. Ditas and Iking Azures, Marlon and Loricel Veloso, and Marina Zamora, all from Norcal, were also present.

\*\*\*\*\*

The Alphans are all geared up for their mini-reunion in the Big Apple come August to coincide with the ACNA Convention which will be held there. Yours truly have been appointed to chair the Steering Committee for the affair by ACAI Prez Jun Domingo . Brod Peter Bayle and Sis Bing Mercado have been appointed Vice-Chairmen since both are residing in that part of the world. As of press time, about twenty have already signed up for the mini-reunion.

\*\*\*\*\*

ACNA President Brod Lito Tarculars is a picture of pure elation nowadays as he announces that the preparation for the 3rd quarterly meeting of ACNA on April 4 to 5 is going on smoothly. The affair, which will be held inn Sheraton Cerritos Hotel and will be hosted by APO South Bay, will surely be well-attended, he said. Knowing Brod Lito, there's no doubt that this will surely happen. I am aware too, that there are many in our fold who are raring to go.

\*\*\*\*\*

And why do you think does our Prez Brod Jerome Paggao have that wide grin on his face nowadays? Why, all the activities he had lined up in the short time he's held the position had so far been well- attended. Many of our brods, officers or not, are helping him out that we are now moving at a faster pace and the organization is working like a well-oiled machine! Our GM meetings already have venues, what more can we ask for? Keep up the good work Brod Prez!
